# Springtime Bingo at Fort Bragg

## Head to Fayetteville, NC for a chance to win big

**F**t. Bragg's Yntema Bingo program is continuing to give a new meaning to the way Bingo is played and what age plays. It's played by service members, service member's family, retirees, retired family members and their guest. The new electronic Bingo machines and the help from an outstanding Bingo staff have taken away the fear of not knowing the game and its winning patterns.

With the help of technology, all players now can play like the pros. Yntema Bingo offers three types of bingo machines, plus paper, "Little Champ," Champion II and Tab-e handheld Bingo machines that will automatically show or tell you if you have a winning Bingo. These handheld devices have revolutionized the way bingo customers play Bingo. One feature of electronic bingo is that a player can play up to two

hundred cards per-single game, increasing the player odds of winning.

Electronic and Cosmic Bingo has caught the attention of many younger bingo players, which has produced a new generation of Bingo enthusiasts. Paper and electronic 24 number quick shot Bingo has now become, "I have little time for session Bingo but enough for a few games of 24 numbers quick shot Bingo." 24 number quick shot Bingo is played at Dragon Lane Bowling Center and Yntema Bingo. Paper or, electronic 24 numbers bingo "players can win up to \$4000.00."

Fort Bragg, Yntema Bingo has continued being Bingo lover's hotspot. Yntema Bingo receives lot of attention with help from The Bingo Bulletin, our large Roadside Sign, and our Marketing Division. POC: Pat Moore or Ed Jackson (910) 396-3310.

# What is the origin of Mother's Day?

**I**n its present form, Mother's Day was established by Anna Jarvis with the help of Philadelphia merchant John Wanamaker following the death of her mother, Ann Jarvis, on May 9, 1905. A small service was held on May 12, 1907 in the Andrew's Methodist Episcopal Church in Grafton, West Virginia, where Anna's mother had been teaching Sunday school. The first "official" service was on May 10, 1908, in the same church, accompanied by a larger ceremony in the Wanamaker Auditorium in the Wanamaker's store in Philadelphia. The next year the day was reported to be widely celebrated in New York.

Jarvis then campaigned to establish Mother's Day first as a U.S. national holiday and then later as an international holiday. The holiday was declared officially by the state of West Virginia in 1910, and the rest of the states followed quickly. On May 10, 1913, the U.S. House of Representatives passed a resolution calling on all federal government

officials (from the president down) to wear a white carnation the following day in observance of Mother's Day.

On May 8, 1914, the U.S. Congress passed a law designating the second Sunday in May as Mother's Day and requesting a proclamation. The next day, President Woodrow Wilson issued a proclamation declaring the first national Mother's Day as a day for American citizens to show the flag in honor of those mothers whose sons had died in war. In 1934, U.S. President Franklin D. Roosevelt approved a stamp commemorating the holiday.

In May 2008 the U.S. House of Representatives voted twice on a resolution commemorating Mother's Day, the first one being unanimous (with 21 members not voting). The Grafton church, where the first celebration was held, is now the International Mother's Day Shrine and is a National Historic Landmark.

# SPRING MENU

## Chocolate Coconut Treats

### Coconut Filling:

2 1/2 cups unsweetened coconut, finely shredded  
 1/2 cup melted coconut oil  
 1/4 cup maple syrup or honey  
 1 tsp vanilla extract

### Chocolate Topping:

8 ounces unsweetened dark (bakers) chocolate  
 1 tbsp coconut oil  
 1/3 cup maple syrup or honey

### Directions:

*In a large mixing bowl, combine all of the coconut filling ingredients and mix together until well combined. Evenly divide up the filling between the 12 muffin cups, pressing it in very tightly, making sure it is even. Don't worry they won't stick. Place the muffin pan in the freezer make sure it is sitting flat, and freeze until hard, about 30 minutes.*

*While the coconut filling is cooling, melt the dark chocolate with the coconut oil. Either very carefully in a double boiler setup on the stove top or in small increments in the microwave. After the chocolate and coconut oil is melted and whisked together and well combined, remove from the heat, and add in the maple syrup. Stir well to combine. Give the chocolate topping a little taste to see if you want it any sweeter. Add more syrup, if you wish. Take the muffin tin with the frozen coconut mixture out of the freezer, and divide your chocolate mixture over it, spooning it on top and smoothing the chocolate out to make sure it totally covers the coconut.*

*Put the muffin tin back into the freezer, and freeze until the chocolate has set, about another 30 minutes or so. To get the treats out of the pan, slide a knife around the outside of the treat and it will very easily pop out.*

## Cheese 'n' chicken

### Ingredients:

3 chicken breasts  
 Olive oil  
 Tastefully Simple Garlic Garlic  
 Salt  
 Pepper  
 1 cup Broccoli, diced  
 16oz of Schar Penne  
 1/4 cup Glutino Gluten Free Breadcrumbs

### Cheese Sauce:

2 cups milk  
 1 tbsp corn starch  
 2 tbsp butter  
 2 cups of Colby cheese  
 2 cups of Sharp Cheddar cheese  
 Salt  
 Pepper  
 Paprika

### Directions:

*Preheat oven to 350 degrees. Cook pasta until al dente. Steam the broccoli. Once the broccoli is steamed, transfer it to a cutting board and dice. After de-fatting the chicken, using a meat tenderizer, pound the chicken once or twice. Brush olive oil over chicken and then sprinkle with the garlic garlic; flip chicken and repeat. Place the chicken in a skillet over medium to medium-high heat and sprinkle lightly with salt and pepper. Flip the chicken at least once in the skillet and cook until most of the liquid has evaporated. Once cooked, transfer the chicken to a cutting board and chop/dice the chicken.*

*Grease a 9x13 pan and spread out the cooked pasta. On top of the pasta, spread out the chicken and broccoli. Stir everything together.*

*To make cheese sauce: in a microwavable bowl, combine the milk, cornstarch and butter and microwave 3 to 5 minutes, stirring frequently. Add cheese and stir. Microwave for another 2 minutes or until cheese is melted, stirring occasionally. If the sauce is not cheesy enough, add more taste. Once the sauce is cheesy to taste, pour over the pasta mixture. DO NOT STIR.*

## Good Morning, This is God

Today I will be handling all of your problems. Please remember that I do not need your help.

If the devil happens to deliver a situation to you that you can not handle, **DO NOT** attempt to resolve it. Kindly put it in the SFJTD (Something For Jesus To Do) Box. It will be addressed in MY time not yours.

Once the matter is placed into the box, do not hold onto it or attempt to remove it. Holding on or removal will delay the resolution of your problem. If it is a situation that you think you are capable of handling, please consult me in prayer to be sure that it is the proper resolution.

Because I do not sleep nor do I slumber, there is no need for you to lose any sleep. Rest, my child. If you need to contact me, I am only a prayer away.
